

The PCPNDT application login page will be open as shown below:

A. Add New Form

Step-1

You can find the Form F in the menu bar. On clicking the Form F the following page will be open. Here you have to enter the patient basic information like patient name & age in Step-1. Post filling the necessary details click on the Next button.

Step-2

After clicking on the Next button you will be redirected to Step-2 of Form F. Here you have to fill the name & address of the referred doctor. Click on the submit button after filling all the details.

Step-3

After clicking on the Next button you will be redirected to Step-3 of Form F. Here you have to fill the basis of diagnosis & the diagnosis procedure carried out at the center. Click on the submit button after filling all the details.

Step-4

After clicking on the Next button you will be redirected to Step-4 of Form F. Here you have to fill the date of the diagnosis carried out & the result of the pre-natal diagnostic procedure carried out at the center. Click on the submit button after filling all the details.

B. Pending forms at center level

The forms which have not been sent to the districts will be shown in the Pending page.

S#	Patient Name	Patient Address	Father/ Husband Name	Patient Age	Contact No.	Test Date	Send To District	Action
